

Mizuho Financial Group's Response Regarding PT Astra Agro Lestari

May 15, 2025

Regarding your inquiry, we would like to respond as follows.

Due to confidentiality obligations, we cannot respond to questions regarding individual transactions.

Mizuho has established and is implementing the “Environmental and Social Management Policy for Financing and Investment Activity” for investment and financing in companies and projects that are expected to have a negative impact on the environment and society.

In addition, Mizuho has put in place a framework to promote initiatives for respecting human rights in line with the UNGPs. Specifically, under the policy, Mizuho has established a human rights due diligence (HRDD) process and grievance mechanism, implements the identification and assessment of salient human rights issues, prevents, and mitigates adverse impacts, implements monitoring of the response status, and ensures transparency through public disclosure.
